SACHIN KUMAR MEENA

● Full Stack Developer ●

Summary

I am a person of creative skills, aiming high in life to achieve my goals. The objectives are very clear - To set goals and to achieve them with respect. My creative and motivation skills give me an edge over others. Talking about my area of interest is, Web & App Development pertaining which I have wrapped up projects using Asp.net, PHP, NodeJs, React and UX/UI projects. Apart from this, I have taken projects in Android and Java conjointly. I have a knowledge of Adobe Illustrator, Photoshop. Worked with many project teams to create user-friendly and appealing application interfaces and websites for users.
